

# USB-C MODULAR TRAVEL ADAPTERS

KEEP DEVICES CONNECTED AND CHARGED WHILE ON THE GO

## C2G is making mobile connectivity and power easier than ever with our new modular travel adapters.

This new system features all the connectivity and power needed when on the go with USB-C devices. Long gone are the days of scrambling to find a way to plug in and present, or running out of power at a critical moment. This modular adapter is customizable to the users' needs—allowing them to bring connectivity, power, or both along for the adventure. The compact design easily fits into backpacks, tote bags and purses for convenient travel—eliminating the hassle of carrying bulky cables and adapters.
