

Epson Easy Mail Packaging is a new, convenient way to deliver Epson's most popular ink multipacks directly to customers.

Epson Easy Mail Packaging allows the product to be mailed directly by just affixing an address label and postage to the product box. Furthermore the box is designed to fit through most, if not all standard European letterboxes, making sure that the pack is delivered securely into the customer's home.

- Easily identifiable packs reduce picking errors.
- No over-packaging required before sending the pack, perfect for online and direct mail businesses who want to improve efficiency.
- Secure, easily mailed pack that will be delivered first time. Will not be left on the customer's doorstep or returned to the depot for redelivery or collection later.
- Easily recycled packaging.
