

Lenovo devices that are a class apart

The ThinkPad Z Series is an ultraportable workstation; thin and light, yet packed with professional graphics, processing and storage as well as latest collaboration features for financial services specialists.

ThinkPad Z16 Gen 2

This ThinkPad is designed to meet the diverse needs of modern-hybrid professionals. Crafted with a sleek aluminum top and bottom, it exudes sophistication and durability at its best. The powerful AMD Ryzen 9 processor seamlessly tackles tasks such as document editing, data analysis and graphic designing. The integrated AMD Radeon 780M graphics and discrete AMD Radeon RX 6550M graphics offer unparalleled visual experience. Running out of power during client meetings or on-location assignments isn't an option anymore. The impressive 72Wh battery supports Rapid Charge and lasts up to 18.4 hours.

Immerse yourself in the brilliance of the device's 16" WQUXGA multi-touch display that comes with anti-reflection and anti-smudge surface. The 100% DCI-P4 color gamut and 16:10 aspect ratio bring your content to life whereas the Dolby Atmos stereo speakers and FHD 1080p+IR hybrid camera elevate your digital experience.

Say goodbye to lagging downloads and hello to streamlined productivity. With MediaTek Wi-Fi 6E, you'll experience lightning-fast wireless speeds and seamless internet connectivity. The inclusion of USB-C 3.2 Gen 2 ensures rapid data transfer, while dual USB 4 connectivity ports offer versatility for power delivery and peripheral connections.

The optional ENERGY STAR 8.0, ErP Lot 6/26 and EPEAT Gold Registration reduces energy consumption, lower utility bills and a smaller carbon footprint.

Lenovo services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Accessories

Lenovo USB-C Wired In-Ear Headphones

Hear every detail with the impressive 9mm audio drivers that produce rich, natural tones. Designed to be business-ready on any USB-C device, at any time. Play and pause media via a single convenient button.

PN: 4XD1J77351
